

**SCOTLAND AGROMART LTD.** is a leading full service agricultural crop input supplier, covering a diverse range of field and horticultural crops in Brant, Haldimand and Norfolk Counties. Due to an increase in the demand for our agronomy services, we are currently seeking an Agronomy Assistant to join our team.

**Contract Duration & Hours:**

10 Month Seasonal Contract (March to December)

Monday to Friday, Saturdays when required

**Primary responsibilities:**

- Field scouting of high value horticultural crops
- Provide detailed pest pressure information to be used in making timely recommendations to growers
- Soil sampling following an established protocol using GPS
- Operation of field equipment including ATVs, soil probes and handheld GPS units
- Interact with new and prospective customers
- Provide assistance to agronomy staff as needed

**Job Requirements (Skills & Qualifications):**

- Bachelor's degree or post-secondary diploma in Agriculture preferred
- Energetic & self-motivated
- Excellent communication skills
- Experience using motorized ATV equipment
- Previous experience using GPS equipment preferred
- Experience soil sampling for agricultural purposes
- Strong organizational skills allowing deadlines to be met in a timely manner
- High attention to detail and ability to follow instructions and established protocols
- Enjoys working outdoors and willing to work in variable weather conditions
- Available for weekend work when required
- Ontario G class license required

**Additional Comments:**

Potential for contract extension at Scotland Agromart when Agronomy Assistant contract expires.

**Application Information:**

Application Material: Cover Letter & Resume

We welcome resumes from all interested candidates, however, only qualified applicants selected for an interview will be contacted.
