

**SCOTLAND AGROMART LTD.** is a leading full service agricultural crop input supplier, covering a diverse range of field and horticultural crops in Brant, Haldimand and Norfolk Counties. Due to an increase in the demand for our agronomy services, we are currently seeking to hire multiple field scouts to join our team this spring.

**Contract Duration & Hours:**

Seasonal (May to August)

Monday to Friday, Saturdays when required

**Primary responsibilities:**

- Field scouting of high value horticultural crops
- Provide detailed disease and insect pressure information to be used in making timely recommendations to growers
- Interact with customers, providing scouting updates
- Provide assistance to agronomy staff as needed

**Job Requirements (Skills & Qualifications):**

- Pursuing post-secondary education
- Energetic & self-motivated
- Excellent communication skills
- Strong organizational skills allowing deadlines to be met in a timely manner
- High attention to detail and ability to follow instructions and established protocols
- Enjoys working outdoors and willing to work in variable weather conditions
- Available for weekend work when required
- Ontario G class license required

**Application Information:**

Application Material: Resume

We welcome resumes from all interested candidates, however, only qualified applicants selected for an interview will be contacted.

Job Type: Seasonal
