

Agronomy Intern - Student

Southwest Agromart, a progressive agricultural retail company located in the Chatham-Kent area, is currently seeking an **Agronomy Intern** for 2026 summer employment. We are looking for a customer-focused individual who is eager to contribute to our growing team and help take our business to the next level. This is an exciting opportunity to gain valuable experience in a dynamic agricultural environment.

Reporting to the Marketing Development and Compliance Agronomist, the successful applicant would possess the following skill set:

Key Responsibilities:

- Conduct crop scouting (field crop and vegetable) and soil sampling
- Assist with the planning, planting and maintenance of seed and fertility demonstration plots
- Deliver products or services to customers
- Support the Agronomy, Sales and Operations staff as needed
- Other duties as assigned
- Competitive compensation

Candidate Will Possess or Be Willing to Achieve the Following Qualifications:

- Minimum high school diploma
- Valid G license is required
- A knowledge of crop diagnostics and weed identification is a definite asset
- Conducting soil sampling for agricultural purposes
- Strong organizational skills and ability to follow direction
- General computer skills
- Enjoys working outdoors and willing to work in variable weather conditions
- Friendly & dependable
- Able to work independently or as part of a team
- Able to work extended hours and weekends during peak times of year as needed
- Term of Employment – On or about May 1, 2025, to on or about August 31, 2025

Apply today to join our team!

Contact Jason Van Maanen at jvanmaanen@southwestagromart.com or 519-674-5491 to apply.

We thank all candidates for their interest in this position; however, only those selected for further consideration will be contacted. Southwest Agromart Ltd. is an equal opportunity employer.
